

FAMILY DIRECTORY

A school Family Directory will be created that includes Family Name, address, and phone number, and names and grades of students. While we have the information available to us through our databases, please complete the following information **if you want to appear in the directory** in order to assist with the completion of this directory to insure we have the correct information.

Family Name _____

(as you would like it to appear- if there are two last names in the family, state how you would like it to read. ex. Smith/ Jones)

Address _____

Contact Phone Number(s) _____

Email Address _____

Names and Room Numbers of Children _____

_____ **I DO NOT want my family information in a school directory for parents.**

(Please return by September 4th)
